Across
America

Impact Catalog

Every Dollar Creates Opportunity

Your support provides children with access to coding education, robotics, laptops, and hands-on learning experiences — equitable resources that many families could not otherwise afford.

For the children we serve, these programs are more than activities. They are moments of discovery, confidence, and possibility that can help change the direction of a child's future.

Put opportunity in a child's hands

- 501(c)(3) nonprofit
- 800+ Children Served Annually
- 40+ Volunteers
- Safe, Structured Programs
- Fully insured and incorporated
- 19 years serving communities
